

Visual design study

I also like having thick stems

STRAWBERRY PNG

Milk & Wild

I also quite like the spacing above..

I think very curvy ascender/descender create a whimsical energy that i sort of like

Fresh Strawberry Color Scheme - by SchemeColor.com

I like having a variety of thicknesses based on the direction of stroke, might look into this more

Scents for Sensitive Skin

I think i could try a combination of having a combination of serifs and none at all to draw more attention to other things

I like the tall thin font, and i think it's very elegant and light

BEEKMAN
1802

I would be interested in exploring the centering, since i find the 1802 extremely interesting, since the heights are all different

REMILIA

I also notably like the mostly monochrome scheme, with a little splash of yellow
